

Oregon Pork Producer Mission Statement

“The Oregon Pork Producers strives to serve all producers regardless of size or production practices, by promoting producer and consumer education, research, animal well-being, marketing and environmental responsibility.”

Vision Statement

“Oregon Pork Producers: A strong advocate for the responsible production and marketing of swine and pork in the Pacific Northwest.”

National Pork Board Checkoff Mission

The mission of the National Pork Board is to generate added value to the U.S. Pork production industry by creating and executing forward-looking promotion, research and consumer information programs based on principles reflecting its investor’s commitment to quality, innovation and stewardship.

Checkoff Vision

Producers will recognize the Pork Checkoff as an effective investment to:

- Increase domestic per capita demand for pork
- Increase export demand for U.S. Pork
- Establish science-based standards from which the pork production industry may be fairly measured.
